4. Please select “Back to Login” to go back to login page.

CUSTOMER PROFILE

5. Please select the “Customer Profile” icon to go to Customer Profile page.

The “Customer Profile” page is where you may view and update your personal account information. You may edit any or all of the corresponding fields on this screen, as necessary.

MANAGE YOUR ACCOUNTS

6. Please select the “Manage Your Accounts” field to go to the Account Management page. For individuals with multiple utility billing accounts (landlords or multiple unit tenant management), this is where you may add or delete accounts for online payment.

You may add accounts as necessary (provided they are currently set up with your utility provider).

7. Please select “Add new record” to display a screen for adding each new account.
